

## ***Science with and for Society Brokerage Event*** **22<sup>nd</sup> May 2015 - Brussels, Belgium**

**The network for National Contact Points for Science with and for Society - SiS.net invites all stakeholder involved in the Science with and for Society Programme of Horizon 2020 to the info day and brokerage event to be held in Brussels.**

*Build effective cooperation between science and society, to recruit new talent for science and to pair scientific excellence with social awareness and responsibility.*

The event, organised in cooperation with the European Commission will take place on **22<sup>nd</sup> of May 2015 at the CLUB de la FONDATION UNIVERSITAIRE, Rue d'Egmont 11.**

The main objective of the ***Science with and for Society Brokerage Event*** is to provide first-hand information by the European Commission about the Horizon 2020 Science with and for Society 2015 Calls and to bring all stakeholders together (universities, research institutions, civil society organisations, SMEs, public bodies, Science Centres etc.), in order to meet potential coordinators and partners in a fruitful networking environment.

***Do you intend to prepare a proposal under Science with and for Society 2015 Call for proposals?  
 Start building your consortium in Brussels, on 22<sup>nd</sup> of May 2015!***

At the Science with and for Society Brokerage Event, will receive information on the following research areas:

- ***Making science education and careers attractive for young people (SEAC);***
- ***Promoting gender equality in research and innovation (GERI);***
- ***Integrating society in science and innovation (ISSI);***
- ***Developing governance for the advancement of responsible research and innovation (GARRI);***
