VIRTUAL PARTICIPATION

Researchers who are unable to resolve the funding issue concerning the conference expenses will be provided with an alternative approach for participation, namely, **Virtual Online Presentation**. Those who would like to make their presentations online from their home countries will also be awarded with a certificate and their papers will be considered for publications similar to other participants as if they were present physically. Those who would like to make use of the **Virtual Online Presentation** facility will be requested to send their virtual posters or other soft copy materials such as power point presentations to the secretariat. In addition, these participants who would prefer to make use of the **Virtual Online Presentation** facility may also contribute to the conference through video conferencing.
