

EURAXESS ASEAN Flashnote

13 April 2018

MSCA Individual Fellowships. An Opportunity for ASEAN Researchers to Spend Up to 2 Years at a Lab in Europe. Call Now Open!

Join 110,000 MSCA funded researchers by applying for your own fellowship! Marie Skłodowska-Curie Actions (MSCA) Individual Fellowships (IF) support the mobility of experienced researchers (in possession of a doctoral degree or with at least four years of research experience). The Fellowships provide an excellent opportunity for ASEAN researchers to conduct research at a university, research institute, or company in Europe. Details and supporting documents [here](#)

Webinar - “How to write a successful MSCA-IF proposal” - ASEAN Researchers Invited

On Thursday, 3 May 2018, 2.00 - 3.00 C.E.T. the German National Contact Point for the Marie Skłodowska Curie Actions (MSCA) will be conducting a webinar on how to prepare a successful application for an MSCA Individual Fellowship (IF). The webinar will be held in English. Details [here](#)

Your Research Idea in 3 Minutes. Falling Walls Vietnam and Malaysia Now Open. Win a Trip to Germany

Falling Walls Lab is a unique competition that provides young students, researchers and entrepreneurs a platform to present their innovative ideas, research projects and social initiatives. The challenge is to present this in just 3 minutes in English! All disciplines are welcome: from agriculture, medicine, economics, engineering to the humanities. Details [here](#)

Green Talent Awards in Sustainable Development. Award Includes a Study Tour plus 3 Month Research Stay in Germany, ASEAN Researchers Encouraged to Apply. Deadline 23 May

This award offered by the German Federal Ministry of Education and Research (BMBF) honours young researchers from around the world for their outstanding achievements in making our societies more sustainable. Selected by a jury of German experts the award winners are granted unique access to the country's research elite. Details [here](#)

TWAS-UPM Postdoctoral Fellowship Programme. Opportunity to Pursue Advance Research in Malaysia. Deadline 31 August

For young scientists from developing countries (other than Malaysia) who wish to pursue advanced research in the natural sciences at the Universiti Putra Malaysia (UPM) in Selangor, Malaysia. Details [here](#)

TWAS- BIOTEC Postdoctoral Fellowship Programme. An Opportunity to Pursue Advanced Research in Thailand. Deadline 31 July

For young scientists from developing countries (other than Thailand) who wish to pursue advanced research in biotechnology at the National Center for Genetic Engineering and Biotechnology (BIOTEC) in Thailand. More information [here](#)

TWAS Research Grants Programme in Basic Sciences. Cambodia, Laos PDR and Myanmar Eligible. Deadline 11 May

Under this scheme, grants are awarded to promising high-level research projects in Biology, Chemistry, Mathematics and Physics carried out by research units in the S&T-lagging countries identified by TWAS. Details [here](#)

Newton Fund Institutional Links Grants. Indonesia, Thailand and the Philippines Eligible. Deadline 8 June

Institutional Links aims to build UK-partner country research and innovation collaborations centred on shared research and innovation challenges which have direct relevance to social welfare and economic development. Details [here](#)

Doctoral Programme in ICT and Medicine between University of Bremen Germany and Mahidol University Thailand. Deadline 31 July

This call is for potential PhD candidates who want to do their PhD research in the context of ICT and Medicine. Successful candidates will join the Mahidol Bremen Medical Informatics Research Unit (MIRU) and will be enrolled in the Dual Doctoral Degree programme between the University of Bremen and Mahidol University.
